21

I will not forget  
the day missionaries  
met with me. Their  
sweet message let  
me see they came  
with the gospel  
truth.

# 2

22

Then the Spirit  
whispered peace,  
and my heart was  
filled with Light!

So I knew with my  
whole soul what  
they taught me  
was right.

23

Let the way I want to  
live testify that it is true.

Let His grace then be  
enough, so I can see it  
through.

24

Let His Spirit be in me,  
And His constant love  
renew.

I know the gospel's true.  
I know the gospel's true.

25

26

I do not remember  
when I first felt for  
sure I knew. I  
think that I have  
always known  
the gospel's  
really true.

27

I was raised within  
the Light, and my  
life was filled  
with love. I was  
taught right  
from the  
start these  
truths came  
from above.

94

95

Way off in the distance  
I see them disappear.  
They left me all alone here,  
There's no one who is near.

96

At my feet a  
grave is open!  
At my feet my  
dead son lies!

Where is God now  
when I need Him?  
Where was God  
when my son died?

97

I've been left  
behind, and that  
has been my choice.

Because no one would  
do what I want done.

I've been left behind,  
my happiness destroyed!

98

Rain falls on the  
unjust, and on  
the just man, too.

It's what we  
choose to do about  
it that makes  
it bad or good.

99

Will we grow up  
like our Savior?  
And then return  
to Him?

Those are  
questions we will  
answer by the  
way our lives  
are lived.
